Issue: 7/3/2024

PRINCIPAL'S NOTE

This week English, or shall I rather say “Mengels”, was spoken at school. Since our teachers teach in our home language, Afrikaans, this week was filled with lots of laughter and teasing because of everyone’s pronunciation and lack of English vocabulary. However, it was a very good opportunity for both the children and teachers to become more familiar with English. Apart from the spelling Bee and the public speaking, the children also had to speak English with one another during break, which was very interesting! Teachers had to present their lessons in English. In the mornings, English was spoken in the staff room, which was quite a challenge for some. Nevertheless, it was great fun. The children enjoyed their teachers’ efforts.

The term is now quickly approaching its end and we are nearing the test week for the Gr. 4-7 learners. The test week starts on Wednesday, 28 August. Please ensure that the learners prepare thoroughly.

“Knipmesbraai”

Thank you to every dad and friend of Tjokkies who bought a ticket for Saturday evening’s spitbraai, which will take place here at the school. The function starts at 17:30, but there will be a big screen showing the game between the Cheetahs and the Golden Lions which starts at 17:00. Gates open at 16:30 and kickoff is 17:00.

The funds raised will be used for the development of our new sports grounds. Attached to this edition of the Weekblad, is the introduction of our plans as well as a tentative time frame in which the process will be handled. Interested parents who can assist with this development are asked to please offer their services and help as outlined in the attachment.

Safety of our learners

Just a reminder that parents who make use of gate 4 should be cautious when reversing their vehicles. Small children move behind vehicles and are often not seen. Please make absolutely sure that the area behind your vehicle is clear before driving off.

Kaalvoetkafee

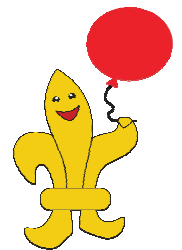

Please note that the Kaalvoetkafee in its current form will close at the end of this year. As from January 2025 it will operate as a privatised business. See attached tender documents in this regard.

PRAYING MOMS... in Afrikaans

Die derde kwartaal is tradisioneel die maak of breek van sport, akademie en kultuur... met 'n hoëskoolkind wat al byna 'n maand gelede 40 dae gevier het... en Gr. 7's wie se hoëskoolplanne gefinaliseer word is die kort van die 4de kwartaal so duidelik teen die muur en daarmee saam dikwels 'n gejaagdheid en 'n kort van draadheid.

'n Te vinnige reaksie...

Bietjie minder geduld en bietjie meer frustrasie...

In Ps 19:15 sê die woord...

“Mag die woorde van ons mond en die gedagtes van ons harte aanneemlik wees vir U Here...”

Mag ons, ons krag by God soek, daaglik henu word met Goddelike wysheid sodat die woorde waarmee ons aanspreek en die gedagtes oor ander tot God se eer sal wees.

Here God, aan U kom toe die eer en die heerlijkheid.

Mag ons lewe 'n lofsang wees vir U Here.

Amen
